RE: \$3000.00 Entry Rate Bonus Payments

Brothers and Sisters,

As you should be aware, this Committee has been aggressively pressing the Carrier for proper payment of the \$3000.00 Entry Rate Bonus to any and every employee who is qualified for the payment. Below are the two latest lists of employees who were approved to be paid the bonus, and they should either have received the payment or see the payment very soon. In addition to those one hundred and thirty-one listed, three other employees have subsequently had their payments approved (GL Lewis – 227747, J Gardner – 227943, and RM Shoemaker – 229082).

Please remember that, should you have a member that is currently on a leave of absence (medical, military, in training, etc.) or out due to discipline, a request for the payment will have to be made to the Carrier when they return to CSRA covered service. You should contact this office when they do return so a proper request can be made and tracked.

Should you have any questions, please contact this office at your convenience.

Fraternally yours,
