**CERTIFIED MAIL**

**RE: Violation of CSRA Article 29, Vacation Modification Agreement (October 3, 2013) and 1996  
UTU National Agreement –**

Dear Mr. Wanner:

This letter will serve as an Integrity of Contract claim for trainmen under the following vacation rosters on CSX that fall under the CSRA agreements and properties wherein the Carrier restricted their ability to schedule daily vacations (DVs) by reducing the DV liabilities to either zero or less than the required caps per the agreement regulations, and continuing until the Carrier restores the daily vacation liability caps to the required agreement regulations.

This claim is based CSRA Article 6, Section 1, (A) for trainmen on each vacation roster who had daily vacation entitlements as of May 2, 2017 and would have been denied the ability to schedule their daily vacation entitlements due to the number of cap liabilities the Carrier reduced or removed from each roster per each day. This is an escalating Integrity of Contract claim for each trainman at each location based on the number of daily vacation days they had earned in entitlements and would have been denied the ability to schedule.

1. Every trainman June 30, 2017/30/2017 listed on the attached vacation roster.
2. May 2, 2017.

Art. 29.Blanket claim for reduced DV caps

7. Instructions of CSX Operations and Labor Relations.
8. 1996 UTU Vacation Agreement, 2012 Vacation Modification Agreement, CSRA Article 29 and Article 37, Section 1,F,2.
9. Claim is for a basic day penalty of 8 hours for each trainman assigned to the applicable vacation rosters beginning May 2, 2017 until the Carrier removes the restrictions. Claim is based on each Job Adjustment Day (JAD or week as defined by the agreement), per each applicable vacation roster, and for each trainman with entitlements, for each day of the JAD that the caps were reduced less than the agreement regulations.

The Carrier has taken the position that they can reduce DV CAP liability for trainmen by claiming train delays/insufficient manpower. The Carrier's action is a direct violation of CSRA Article 37, Section 1, F, 2:

***"2. The Company will retain a sufficient number of employees in active service to protect all assignments and extra service, and will also maintain the workforce at a level which will permit reasonable layoffs to enable employees to take their vacations and their personal leave days on a current basis, provide sufficient personnel to protect vacancies caused by bereavement leave, jury duty, personal injury and approved absences as provided for in this Agreement."***

Furthermore, Article 29, Section 1.C.4 requires the parties to establish entitlements across the system prior to Observance/scheduling the Carrier's vacations/DVs liability is known for the entire calendar year, thus allowing for proper staffing of manpower in accordance with Article 37, Section 1.F.2.

The Vacation agreements entered into with the Carrier and under the Railway Labor Act are clear and unambiguous that the trainmen will be allowed to schedule their DV days per the Agreement regulations for the daily caps. The Carrier has capriciously and blatantly elected to ignore the contractual liability owned to the employees for their vacation entitlements and removed their access to schedule their DV entitlements at certain locations and under certain vacation rosters with the guise of predicating future manpower shortages/delays far into the future.

The Organization respectfully requests a meeting to conference this issue on Thursday, July 6, 2017 at 1300 hours.

Sincerely,

JD Whitaker
